14) It is said that the property was delivered over to the Municipality on 8-7 1921, but it is not clear - whether the property is in the actual possession of the Municipality or whether the delivery made by Court

was merely a paper transaction It is the question of actual possession that is to be important in this case and if such possession as with the Municipality the proposed sale to the Ry Deptt may be approved, the Municipality however undertaking to indemnify Govt if any defect in title is afterwards discovered

15) It is certainly curious how a heavy litigant like the Pogaku Venkatachala setti can allow a property worth nearly Rs 20,000 to be sold for arrears of tax etc amounting to only Rs 351-2-6

24) Mr Venkatachala Setti is an experienced - litigant and would no ordinarily allow such a - valuable property to be sold for an insignificant amount and allow things to take their own course It is significant that even subsequent to the sal he has sent the tax to the Municipality

25) Unless it can be clearly made out that Mr Venkatachala Setti was the full and absolute owner of the property, it would not be safe to purchase it by means of a private sale from the Municipality An Indemnity clause in the sale-deed would not be of much avail if the title be impeached later, as in the meanwhile, the Railway Administration may spend much money over the property and effect improvements to suit their own - purposes

OFFICE OF THE PRESIDENT
CITY MUNICIPAL COUNCIL MYSORE

DATED 6th November 193 0

RR 8/11130 M. TV £2390

Dear Sir,

With reference to your D O letter No L 2380/L1 10-30-9 dated 16th September 1930 calling for certain information regarding the Appavoosetty Karkhana building, I write to state that from enquiries made, it is learnt that the Municipality filed a suit against one Mr Pogaku Venkatachalasetty in the First Munisiff's Court, Mysore, for the recovery of arrears of house tax amounting to Rs 281-8-0 due on the property in question, and obtained a Decree in O S No 7/1918-19 In the execution of this Decree, the property was sold in Court auction and it was purchased by the President of the Municipality In 1921-22 the Court Ameen having offered to hand over possession of the property, it was taken over and vests in the Municipality since then No records bearing on the subject are forthcoming and it is also said that no papers were received from the Court

Mr Pogaku Venkatachalasetty remitted by Insurance post Rs 432-0-6 and Rs 75-9-9 on 24th January 1921 and 29th January 1921 on account of Kandayam due on the property for 1914-15 to 1919-20 and 1920-21 respectively These amounts were returned to him by means of Mysore Bank Cheque 22[illegible] dated 11th February 1921, with an endorsement No 238 dated 3rd bruary 1921 stating that as the property has been sold in Court auction sale to the Municipality for arrears of Kandayam, and the sale also confirmed, the amount cannot be credited in accounts The Postal Registered cover containing the cheque and the endorsement was refused by Mr Venkatachalasetty and the same has been lodged in the Office A copy of the endorsement is enclosed for reference

Again in 1924, the said Mr Pogaku Venkatachalasetty forwarded Mysore Bank Pro Note No 22/29 dated 27th March 1924 for Rs 226-13-3 with his application dated 29th March 1924, wherein

he stated that the amount of the Pro Note might be credited towards the Kandayam for the years 1921-22 to 1923-24 This Pro Note was also returned to him by Registered Post, but was again refused The same is also lodged in the office A copy of his petition dated 29th March 1924 is enclosed

In November 1925, the Railway authorities took over possession of a site measuring 120' x 116' forming part of the property in question for the construction of a Bulk Petrol Depot The price due to the Municipality on this account is not yet settled, and in order that the Railway Department might secure an unimpeachable title to the land, its acquisition under the provisions of the Land Acquisition Regulation was suggested, and the Mysore Sub Division Officer has been taking action in this behalf

Latterly, when the question of sale of the entire plot arose, the Railway authorities offered to purchase it for Rs 20,000 and promised to pay Rs 10,000 this year But they have since written to say that they cannot make any payment out of the current year's Budget

No portion of the property belongs to Government Even on the present occasion, if considered necessary to give an unimpeachable title to the Railway Department acquisition procedure may be adopted

Yours sincerely,

Kadambi
